

Explosive sweetness

Boomberry Valley is home to two distinctly different inhabitants. The juicy fruits, and the volatile bombs that triggers if anything enters their space. Together, the fruits and bombs have transformed Boomberry Valley into a wild world where sweetness and destruction collide.

Boomberries is a 6 column, 7 row blasting slot that comes with hot zone multipliers, special wilds, symbol removal, a bonus, and a super bonus, all packed into a potential of 25,000x bet.

X-iter™

X-iter™ allows players to jump straight into the action with 5 different game modes ranging from a 3x bet with more than three times the chance to trigger the bonus, to a 500x bet super bonus.

Hot Zones

Every winning combination doubles the multiplier value on the symbol positions covered by the winning combination.

Hot Zone Strike

Places a x2 multiplier value on a random number of positions on the grid. If a position already has a multiplier, the value will instead be multiplied by x2.

Collector & Dealer

The Collector collects all multiplier values in view. The Dealer multiplies all multiplier values in one or more V shape. Both features can be persistent.

Wild Symbols

There are three wild symbols. A normal wild, an X-bomber wild that replaces payout symbols in an X-shape, and an Exploding wild that removes all payout symbols in an X-shape above and below itself.

Bonus Game

Three bonus symbols trigger the bonus game. In the bonus, all multiplier values are persistent between bonus drops.
