

BLADES OF HONOR

On a battlefield torn by bombs and cannon fire, Samurai Kane confronts a dark ninja rising from the smoke. Explosions shake the ground as their blades clash, each strike driven by skill and honor until only one will remain.

Bushido Gold is a 6 column, 4 row magical slot that comes with big symbols, stacked wilds, symbol splits, symbol removal and a bonus game, all packed into a potential of 25 000x bet.

X-iter™

X-iter™ allows players to jump straight into the action with 5 different game modes ranging from a 2.5x bet with more than three times the chance to get the bonus, to a 500x bet Super bonus.

EXPLODING WILDS

The Wild symbol substitutes for any payout symbol. At the end of the round, all Wild symbols will explode, removing or activating symbols.

SLICE FEATURE

Two identical symbols at the first and last column on the same row trigger the Slice feature that cuts symbols in half, or activates them.

CANNONS

The Cannon symbol activates when interacting with exploding wilds, slice feature or other cannons. Then activated, it shoots a pillar of wilds upwards, and convert itself to a wild.

THE NINJA

The Ninja symbol activates when interacting with exploding wilds, slice feature or cannons. 2-10 throwing stars will hit the games grid, activating feature symbols, or turn into wilds.

3 Bonus symbols triggers the Ninja Drops Bonus game. 3 Bonus symbols award awards 6 Ninja Drops, and +2 Ninja Drops for each additional Bonus Symbol. The Ninja symbol is guaranteed in every Ninja Drop.
