

# FATE OF FORTUNE

## GUARDIANS OF THE FOREST

Deep in the Nordic woodlands, three celestial guardians are giving riches to eons and grant fortunes through their crystal ball. Aligning themselves through fate, their multiplying forces are not to take lightly!

Fate of Fortune is a 5 reels 1-5 rows mystic slot. It comes with mystery symbols, four type of wilds, symbol swap, multiplying multipliers and a bonus game with progressive multipliers.

Will you discover the Fate of Fortune?

**X-iter™**

X-iter™ allows players to jump right into the action with 5 different game modes ranging from a 5x bet with a guaranteed win up to a 500x Super Bonus.

Stacked mystery symbols turn into the same paying symbol.

*3 Bonus symbols on the 50x X-iter triggers the Super Bonus!*

Activating Fortune's Favor enables one additional game feature: symbol swap, Walking Wild, Locked Wild or a win multiplier.

Up to three different multipliers can boost your win, and if visible at the same time, they multiply each other, resulting in great wins.

*Locked Wild respins until you win, and doubles the multiplier for each spin!*

3 or more bonus symbols trigger the free spins. A progressive multiplier increases for every spin. Free spins continue as long as there are mystery symbols on the reels.

*Multipliers multiply each other!*

## Recommended size and ratio for desktop browsers

For the optimal gaming experience, ELK Studios recommend launching the game in 1600x900 resolution. If scaling is required, use 16:9 ratio.

## Technology

ELK games uses state of the art web technologies including support for canvas and WebGL. The client detects the capabilities of the device regardless if the player is running on a desktop, tablet or mobile.

The game client will then optimize the gaming experience based on those parameters.
