

ANCIENT FURY

66 million years have passed since the last T-Rex spread destruction upon the base of Rage Mountain, but the echo of their stampede still lingers. A new apex has claimed these cursed hunting grounds, fueled by the fury of an ancient spirit.

Grizzly Stampede is a 5 reel, 4 rows "don't run" slot that comes with synced symbols, wilds, multiplying wilds, a bonus, and a super bonus game, all packed into a potential of 50,000x bet.

X-iter™

X-iter™ allows players to jump straight into the action with 5 different game modes ranging from a 3x bet with more than four times the chance to trigger the bonus, to a 250x bet Super Bonus.

Two Stampede symbols on the same row triggers the Stampede, or the Super Stampede feature.

TOTEM POLE

Energy from non triggered Stampede symbols charges the Totem pole. Once triggered, the Totem feature adds Stampede symbols to the grid.

A Stampede converts all symbols between and including the Stampede symbols into Grizzly symbols. The Super Stampede adds more Grizzly symbols to the reels.

WILDS

The Wild symbols substitutes for any payout symbol. If the Wild symbol contributes to a win, a multiplier may be revealed.

BONUS GAME

Three or more Bonus symbols trigger the Bonus game. Collect golden Grizzly tokens to convert symbols to Grizzly- or Raging Grizzly symbols. In the Super Bonus, additional Grizzly tokens are awarded prior to the first spin.
