

## WORK HARD, PLAY HARD!

Four little piggies up at dawn,  
Hammers tapping, helmets on.  
Bricks and beams from early light,  
Building houses with all their might.  
Snouts are dusty, hooves are sore,  
Dreaming of a sandy shore.  
“One more week, then it's time,  
“For sun, beach and drinks with lime.”  
But at a distance a figure strays,  
Quiet as smoke in the twilight haze.  
A cunning wolf with steady stare,  
Hunts for cracks in piggy care.

Huff N' Puff CollectR is a 6x6 slot that comes with the CollectR™ mechanic, an expanding game grid, symbol transformations, wilds, a coin game, bonus, and a super bonus, all packed into a potential of 10 000x bet.

**X-iter™**

X-iter™ allows players to jump straight into the action with 5 different game modes ranging from a 3x bet with more than three times the chance to trigger the bonus, to a 250x bet super bonus.

## PIGS & GEMS

Pigs move and collect gems of the same color as themselves, and all feature symbols. Gems can be upgraded to higher levels.

## GOLDEN WHEEL

The Golden Wheel is triggered when the pigs or Wolf collects all symbols on the grid. It awards instant payout, Hat Mania, Mega Hat Mania, Bonus or Super Bonus.

## WOLF CRANE

The Wolf Crane collects symbols, triggers features and starts fights with the pigs. Winning fights increase the Wolf Crane win multiplier.

## HAT MANIA GAMES

In the Hat Mania games, hats drop down and create frames where they land on the grid. A hat landing in a space that already has a frame upgrades it. When there are no more drops, the Wolf reveals coin wins.

## BONUS GAMES

Three bonus symbols collected by the pigs trigger the free drops bonus game. If one of the bonus symbols is a super bonus symbol, the super bonus game is triggered. The grid size, progress on the collection meter and gem upgrades are all persistent during the bonus game. Collect and upgrade frames throughout the bonus, which will spawn houses. The Wolf will appear and the end of the bonus and blow the houses away to reveal coin wins.
