

ICE WOLF 2

REBORN INTO GOLD

Beneath a thousand winters of ice, a Viking cave unfolds. Carved runes flicker to life, and a distinct howl echoes through the frost. What once was the Ice Wolf's den has evolved, and reborn into gold. No longer bound by cold or time, the golden wolf patiently waits, for the one who dares to follow its call.

Ice Wolf 2 is a 6 reel, 7 row howling slot that comes with a feature row, wilds, multiplying wilds, respins, a bonus and a super bonus, all packed into a potential of 10,000x bet.

FEATURE ROW

The feature row contains features, bonus symbols and multipliers. To access the features, clear the ice by winning, or trigger the wolf feature.

ICE WOLVES

Triggering the Ice Wolf feature clears all ice in that row, leaving behind a trail of wilds. The Golden Ice Wolf pack feature clears its own and the two adjacent columns of ice, and leaves a trail of wilds in the center column.

WILDS

There are wilds, Multiplying wilds, Sticky wilds and Sticky Multiplying wilds. Any wilds affected by the wolf features will add or increase its multiplier.

BONUS GAME

Trigger the bonus by activating a bonus symbol in the feature row. In the bonus, the Wolf Den row is activated, allowing for even more wolves in each spin.

HOWLING WOLF

The Howling Wolf clears all ice in a 90° angle either left or right.

X-iter™

X-iter™ allows players to jump straight into the action with 5 different game modes ranging from a 2.5x bet with more than three times the chance to get the bonus, to a 250x bet Super bonus.
