

A FUTURE LOST

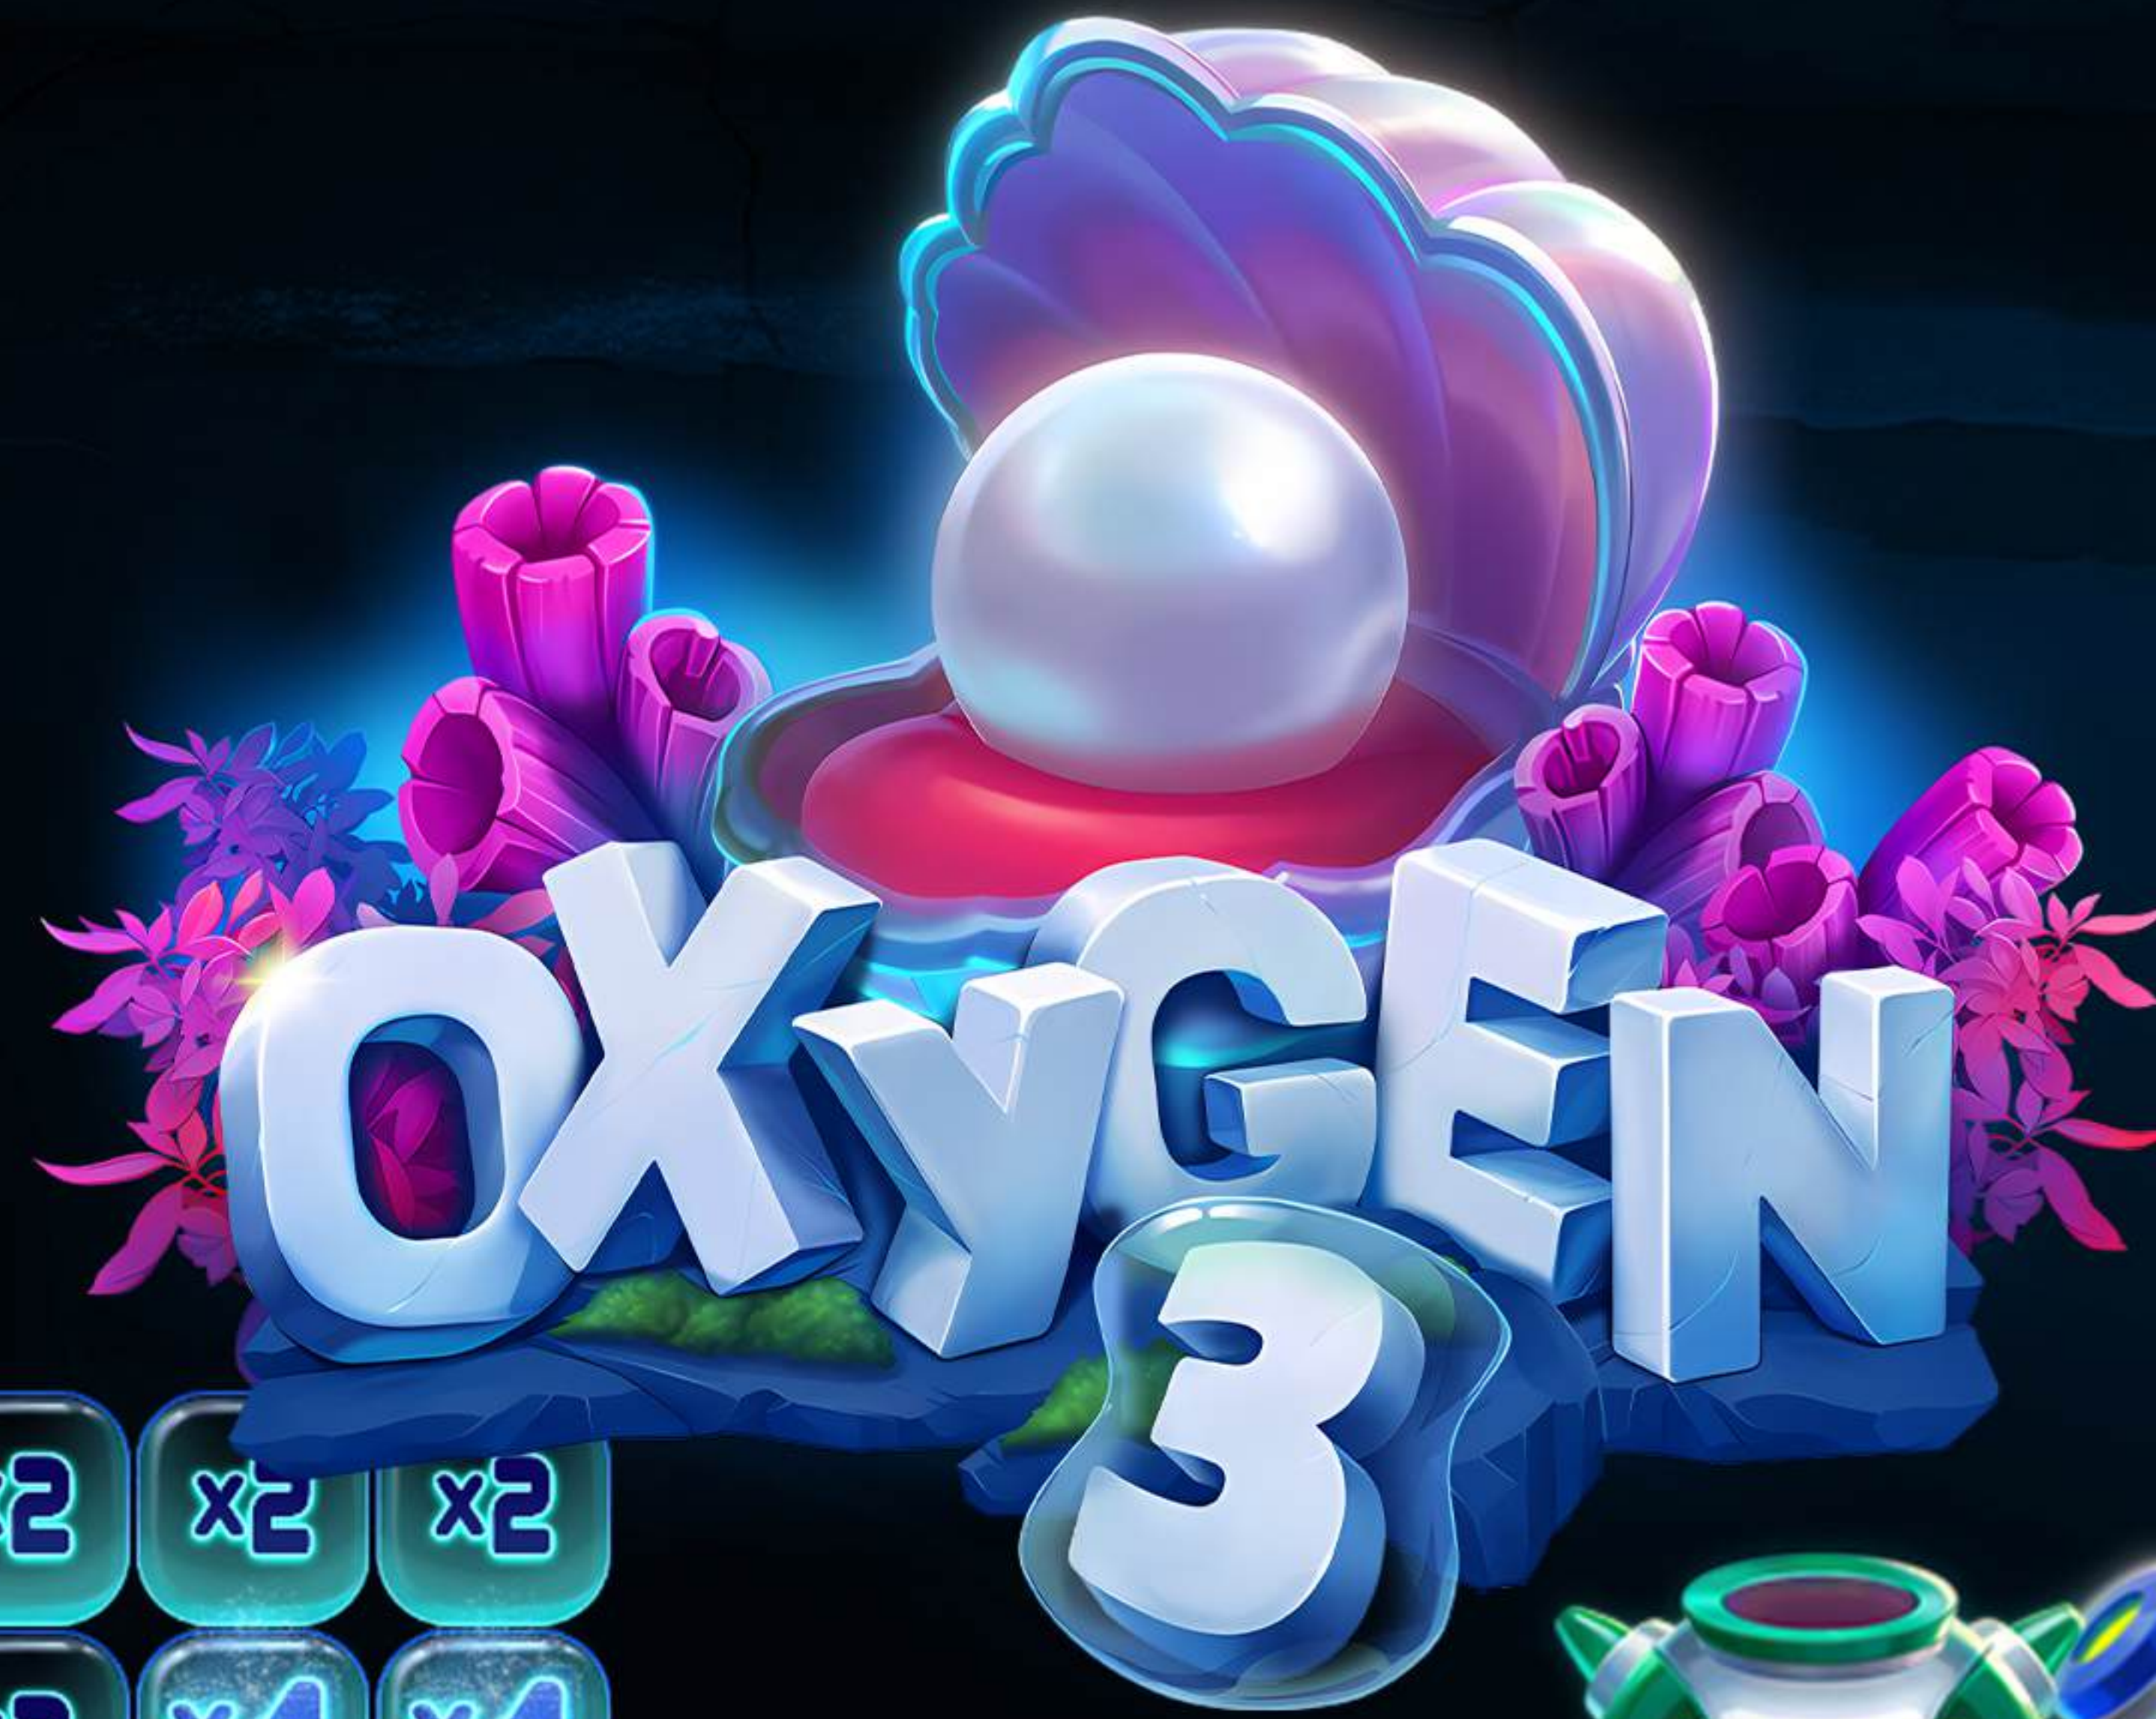

In the silent depths of Coral Creek lies a scattered vision of the future that somehow slipped into the past. As sea creatures tinker with the glowing relics, the ruins whisper the remains of a forgotten advanced civilization, or a future city lost to time itself.

Oxygen 3 is a 6 column, 7 row submerged slot that comes with multipliers, special wilds, symbol removal, a bonus, and a super bonus, all packed into a potential of 25,000x bet.

X-iter™

X-iter™ allows players to jump straight into the action with 5 different game modes ranging from a 2.5x bet with more than three times the chance to trigger the bonus, to a 250x bet super bonus.

MULTIPLIERS

Build multipliers on symbol positions by winning on them several times. The Multiplier Strike feature, which can trigger in any drop, places additional multipliers on the grid.

SPECIAL WILDS

The Exploding Wild and the Blaster Wild are special wilds that can be activated to trigger detonations with various abilities.

BONUS GAME

Three bonus symbols trigger the bonus game. The bonus game has an Oxygen Meter that fills up with each win. Once full, it will upgrade a cluster of multipliers on the game grid.

THE CLAM

The Clam is triggered when part of a win, and triggers one of the features.

THE PEARL

One payout symbol is selected, and redrops will continue as long as more of that, or wild symbols land.

THE SQUID

Generates a Wild symbol on its current position, then moves to a new one.

THE STARFISH

Removes symbols and increases multiplier values, then becomes a wild.
