

FROZEN FURY

Back on the Space station, Skipper "accidentally" sent little Charlie into outer space. Frozen to a block of ice, he set aim towards the frozen planet near by, closely followed by fearful four!

Pirots 4 Frozen Fury is a 6x6 galactic slot that comes with the CollectR™ mechanic, an expanding game grid, symbol transformations, the Ice Monster, wilds, the Frozen Fury coin game, a bonus, and a super bonus, all packed into a potential of 10 000x bet.

X-iter™

				
500 x	100 x	50 x	25 x	3 x

X-iter™ allows players to jump straight into the action with 5 different game modes ranging from a 3x bet with more than four times the chance to trigger the bonus, to a 500x bet super bonus.

SPACE STATION

Bombs expand the grid size and allow the birds to move inside the space station, collecting up to 2 feature symbols per section.

YETI SNACK TIME

The Yeti multiplies the collected value of birds and freeze them. The Yeti's multiplier doubles each time it freezes a bird.

FROZEN FURY

Clearing the entire grid during the Spacecorn feature trigger the Frozen Fury coin game.

BLACK HOLE

The black hole absorbs all symbols and birds, and returns them into random positions. The black hole can remove up to 3 birds.

BONUS GAME

Three bonus symbols collected by the birds trigger the free drops bonus game. If one of the bonus symbols is a super bonus symbol, the super bonus game is triggered. The grid size, progress on the collection meter and gem upgrades are all persistent during the bonus game.
