

BIRDORADO

In the heat of battle, Skipper smashed into a flying cannon, blasting a hole in the mountain. Sunlight hit the Kraken, who promptly went “f*** this” and disappeared. A powerful current swept the ship to the City of Gold. Rushing ashore, the birds had no idea they’d entered the domain of the Mastermind of the 7 Seas and his two loyal lackeys, who were ready to pluck some feathers.

Pirots 5 is a 6x6 adventures slot that comes with the CollectR™ mechanic, an expanding game grid, symbol transformations, the Golden Book feature, wilds, the City of Gold coin game, a bonus, and a super bonus, all packed into a potential of 10 000x bet.

GOLDEN BOOK

The Golden Book turns 1-4 birds into gold and corresponding gems into golden gems.

The secret door rotates the grid, moving all symbols and birds. Cross-over floor tiles allow the birds to cross already collected positions.

Three bonus symbols collected by the birds trigger the bonus game. If one of the bonus symbols is a super bonus symbol, the super bonus game is triggered. The grid size, progress on the collection meter and gem upgrades are all persistent during the bonus game.
