

THE KRAKEN

With Captain Blackfeather's curse broken and the traitor doomed to dwell within the Temple for eternity, a new path opened before them, the second trial: "the sea under the mountain." Through their binoculars, the birds caught sight of their old pirate ship loaded with treasure, ensnared in the grip of a Kraken, the mightiest of sea monsters. To claim it, they must dare the depths, battle the beast, and take what is theirs.

Pirots 5 is a 6x6 adventures slot that comes with the CollectR™ mechanic, an expanding game grid, symbol transformations, wilds, the Kraken coin game, a bonus, and a super bonus, all packed into a potential of 10 000x bet.

X-iter™

SUPER BONUS	BONUS	THE KRAKEN	MEGA HUNT	BONUS HUNT
250 x	100 x	50 x	10 x	3 x

X-iter™ allows players to jump straight into the action with 5 different game modes ranging from a 3x bet with more than four times the chance to trigger the bonus, to a 250x bet super bonus.

COMPASS CANNON

The golden compass cannon replaces all gems in its shooting direction with feature symbols and recoils in the opposite direction.

CATACOMBS

Collecting a symbol on top of a catacomb corner enters the catacombs. Defeating a landcrab in battle rewards a feature symbol.

KRAKEN

The Kraken coin game starts with 3 drops. Landing coins, birds or symbols resets the counter.

SECRET DOOR

The secret door rotates the grid, moving all symbols and birds. Cross-over floor tiles allow the birds to cross already collected positions.

Three bonus symbols collected by the birds trigger the bonus game. If one of the bonus symbols is a super bonus symbol, the super bonus game is triggered. The grid size, progress on the collection meter and gem upgrades are all persistent during the bonus game.
