

THE OLD FOE

After conquering space, the birds return home victorious. During landing, Skipper crashes into a theme park map, accidentally burning it. When the smoke clears, they realize it reveals the lost city of gold and the location of the traitor, Captain Blackfeather. At a temple entrance, a voice warns of his curse and lurking mummies. Undeterred, the birds enter a temple filled with traps, arrows, boulders, and shifting ground.

Pirots 5 is a 6x6 adventures slot that comes with the CollectR™ mechanic, an expanding game grid, symbol transformations, Cpt. Blackfeather, wilds, the Cursed Temple coin game, a bonus, and a super bonus, all packed into a potential of 10 000x bet.

X-iter™

X-iter™ allows players to jump straight into the action with 5 different game modes ranging from a 3x bet with more than four times the chance to trigger the bonus, to a 250x bet super bonus.

BLACKFEATHER

Captain Blackfeather turns 1-4 birds into ghosts and transforms their symbols into Blackfeather gems.

CATACOMBS

Collecting a symbol on top of a catacomb corner enters the catacombs. Defeating a mummy in battle rewards a feature symbol.

CURSED TEMPLE

The Cursed Temple coin game is triggered when the entire grid is cleared during secret door feature.

SECRET DOOR

The secret door rotates the grid, moving all symbols and birds. Cross-over floor tiles allow the birds to cross already collected positions.

Three bonus symbols collected by the birds trigger the bonus game. If one of the bonus symbols is a super bonus symbol, the super bonus game is triggered. The grid size, progress on the collection meter and gem upgrades are all persistent during the bonus game.
