TORO

Toro clean the streets from Mayor Diaz and his goons. Toro is a walking wild, generating respins as he moves. When Toro charges, he spawns a trail of wilds behind him.

MATADOR

Matadors award respins as long as at least one Matador is on the grid. During the respin, each Matador will either be disabled, or move to a new position.

DIAZ

Diaz, the corrupt mayor in town, is a sticky wild that only moves when trying to escape the charging Toro. Diaz stays on the grid until the spin is over, or knocked out by Toro.

CLEAN THE STREETS

If both Toro and Diaz are on the grid, the Clean the Streets feature will trigger. Diaz will spawn matadors, and Toro will charge Matadors first, then Diaz.

MATADORS & DIAZ

If both Diaz and Matadors are on the grid, Diaz will increase the multiplier values on all remaining Matadors.
