HANGRY BUNCH

Decades later, brick by brick, the world is back to its glory days, bigger and more beautiful than ever. But beneath the shining streets, old legends are waking with an unstoppable appetite ready to turn this paradise into an all-you-can-eat buffet. The monsters are back, hungrier than ever!

World Eaters is a 5 column, 5 row munching slot that comes with collectors, unlockable features, expanding game grid, symbol upgrades, mini games, multiplier wilds, a bonus and a super bonus, all packed into a potential of 10,000x bet.

X-iter™

X-iter™ allows players to jump straight into the action with 5 different game modes ranging from a 2.5x bet with 1 bonus symbol collected, to a 250x bet super bonus.

COLLECTORS

6 collectors collect their matching payout symbols and any feature symbols that have a clear path to the top row.

PIGGY BANK

The Piggy Bank collector has a chance to trigger a Coin Game starting with 3 drops. Landing coins or feature symbols resets the drops.

WORLD EATERS 2

WORLDS

There are a total of 10 worlds, each with its own feature. Triggering the current world feature 3 times opens the next world. All unlocked features can be triggered at any drop.

UFO

Once the UFO feature is unlocked, there is a chance to trigger the UFO Drops, where the Mothership flies over the grid. Each fly-by could upgrade or stack 1 or more payout symbol.

BONUS GAME

Collect 3 Bonus symbols to trigger the Bonus game on an 8x8 grid with all features unlocked.

The Super Bonus game can be triggered once all features are unlocked, where at least 1 of the collected Bonus symbols is a Super. Played on an 8x8 grid, all features are unlocked and 3 active collectors.
