Animal Temple Gold

During an expedition in Lesotho, Southern Africa, Kane learns of a temple located to the east in the infamous KwaZulu-Natal district, where animals come to sacrifice gold to their gods.

Zulu Gold is a 6 reels 4 rows animalistic slot with dropping symbols... it comes with stacked symbols, big symbols, walking wilds and a bonus game with progressive multipliers!

Will Kane strike luck once again?

X-iter™

X-iter™ allows players to jump right into the action with 5 different game modes ranging from a 5x bet with a guaranteed win up to a 500x Super Bonus with persistent Multiplier symbols.

Zulu Stacks

A Zulu Stack is a symbol stack that can represent any low, mid and high value symbol as well as the wild.

Wild Walker

The Wild Walker is a wild symbol that moves and leaves a trail of wild symbols behind. It is persistent between avalanches.

Charged Wild

The Charged Wild is a wild symbol with extra lives. It only consumes a life when it contributes to a win.

Multiplier Free Drops

3 or more bonus symbols trigger the Multiplier Free Drops bonus game. When 3 or more Multiplier symbols are in view, they activate, adding their value to the progressive multiplier.

Additional Multiplier symbols within the same free drop reactive all Multiplier symbols in view, and add their multipliers again.

Recommended size and ratio for desktop browsers
For the optimal gaming experience, ELK Studios recommend launching the game in 1600x900 resolution. If scaling is required, use 16:9 ratio.

Technology
ELK games uses state of the art web technologies including support for canvas and WebGL. The client detects the capabilities of the device regardless if the player is running on a desktop, tablet or mobile.

The game client will then optimize the gaming experience based on those parameters.

ELK Studios

We build great casino games

Since founded in 2013, ELK Studios has pushed boundaries in the online casino industry. From groundbreaking mathematics to astonishing artwork, ELK takes pride in developing entertaining mobile first content that maximizes the experience for players around the world.

Our games are developed and comply by our inhouse studio in Sweden, and we use well known test centers such as Trisigma and Gaming Laboratories International to certify them. Once released, all games are operated by partners and operators who hold license in each market.
